### ROLES AND RESPONSIBILITIES OF POSITION

**PURPOSE** (overall description of the function of this position)

Appointees will be directed and supervised by senior technical officers to organize and set up laboratory practical classes for medical students and health science students in the disciplines of biochemistry & molecular biology, physiology, pharmacology and anatomy. In addition appointees are expected to participate in any research projects undertaken within the division and assist in the upkeep and care of all teaching equipment within the laboratories.

**ACCOUNTABILITIES** (overall description of the responsibilities of this position such as financial delegations or supervising staff)

Appointees will be directly supervised by senior technical officers and chief technical officer on the job.

**MAJOR DUTIES** (list the main tasks of this position e.g. provide technical advice or manage an area)

1. Fully assist in setup of all practical classes in all disciplines.
2. Fully assist in upkeep of the laboratories and maintenance of all equipment within.
3. Participate in student research projects
4. Any other duties as requested by senior technical officers and the chief technical officer

**SELECTION CRITERIA**

**TRAINING LEVEL OR QUALIFICATIONS** (identify the mandatory or desirable qualifications or training level required for this position – refer to the Position Classification Standards in the Staff Handbook)

Appointees must have a diploma/bachelor degree in laboratory/medical laboratory technology or equivalent.

**KNOWLEDGE, SKILLS AND PERSONAL ATTRIBUTES** (list the specific knowledge e.g. policies or procedures, skills e.g. demonstrated ability to supervise staff and personal attributes e.g. self motivated, high level of integrity, required of the person to productively perform in this position. These criteria can be used as the basis for developing questions for the interview)

1. Be able to work under minimum supervision
2. Be highly motivated
3. Be punctual at all times
4. Demonstrate good sense of responsibility to duty and adherence to university guidelines
5. Knowledge of the UPNG Code of Conduct.
